

For the safety of all passengers, emergency exit seats will be limited to passengers that satisfy all the conditions below.

1. Aged from 15 and not over 60 years.
2. Does not require the assistance of an escort or staff.
3. Is capable of assisting in an emergency evacuation.
4. Can understand evacuation procedures and crew's instructions, and verbally convey such information to other passengers.
5. Does not have to assist an accompanying passenger in an emergency evacuation. *
6. Consents to providing assistance in an emergency evacuation.
7. Not requiring an extension seat belt because of large body size.

To ensure quick evacuation of the aircraft, passengers seated in emergency exit rows will be asked to assist during an emergency evacuation by following the instructions of the cabin crew. Carry-on baggage must not be placed at your feet or on your lap during takeoff or landing. We appreciate your cooperation.

Please note: The crew in command has the authority to reseat you if there's any doubt about your ability to assist with evacuation tasks.

This is a paid seat. The seat is charged according to special terms and conditions.
